### PRODUCT PHOTOGRAPH

### TECHNICAL DRAWING

### GENERAL INFORMATION

|                         |                   |
|-------------------------|-------------------|
| Product Code            | <b>9005652</b>    |
| Collection              | <b>Indoor</b>     |
| Product Category        | <b>Suspension</b> |
| Product Family          | <b>Hyde</b>       |
| Mounting Location       | <b>Suspension</b> |
| Application Environment | <b>Indoor</b>     |
| Specifications          | <b>N/A</b>        |

### DIMENSION & WEIGHT

|              |                     |
|--------------|---------------------|
| LxWxH (cm)   | <b>D: 66 H: 150</b> |
| Cut Out (cm) | <b>N/A</b>          |
| Weight (Kgr) | <b>1.95</b>         |

### MATERIAL & COLOR

|               |                                 |
|---------------|---------------------------------|
| Product Color | <b>Brushed Gold &amp; Black</b> |
| Body Material | <b>Aluminium &amp; Acrylic</b>  |

### APPLICATION & MOUNTING

|                        |                 |
|------------------------|-----------------|
| Ambient Working Temp.  | <b>Max 45°C</b> |
| Type of Protection     | <b>IP20</b>     |
| Dimmable               | <b>Yes</b>      |
| Type of Dimming        | <b>Triac</b>    |
| Mounting type          | <b>Surface</b>  |
| Mounting Depth (cm)    | <b>N/A</b>      |
| Led Module Replaceable | <b>No</b>       |
| Light Source           | <b>LED</b>      |
